

CAMP HIGHLAND *Golf Classic -2006-*

Founded in 1993, Camp Highland is a high-adventure Christian camp for people of all ages located on beautiful Carter's Lake in Ellijay, Georgia. Camp Highland's mission is to treat its guests to the thrill of a lifetime while exposing them to teachable moments that lead them into a deeper walk with Christ. Whether it's taking a quiet walk or streaking down the high-ropes course from the zip line, Camp Highland has something for everybody! Hiking, climbing the rock wall, mountain biking, white water rafting, skiing, basketball, volleyball, and swimming are just some of the many adventures to be enjoyed at Camp Highland. Over the last 13 years, thousands of youth campers have had a blast during the summer months at the weekly Wilderness Camp or the Highland Day Camp while also being exposed to character building, how to study the bible, and what it means to have a relationship with Jesus Christ.

Camp Highland also stays busy year-round with other various camps such as the Father/Son weekend, the Father/Daughter weekend, and customized corporate events. Camp Highland is a very special place that has the potential to become a world class facility. Construction of new cabins and bathhouses is underway with a goal of avoiding any debt during this Phase I construction. Fund-raising is also moving forward for Phase II construction to begin in 2007. The financial need is great and we need your help! Please consider participating in this year's 2006 Camp Highland Golf Classic and helping Camp Highland move ever so closer to fulfilling its long-term goals!
