

Ministry Opportunity

Camp Highland is excited about our 2011 summer season of ministry! We are looking for a unique team of counselors that are willing to connect with our Creator and witness irreversible change in the hearts and lives of campers. We seek to use high adventure to lead others into a growing relationship with Christ. Joining our team this summer will create an environment for you to grow in your faith, develop leadership skills, and most importantly create opportunities for you to serve others, all while enjoying the beauty of the great outdoors in the North Georgia mountains. If you are interested in serving in a Christ-centered, adventure-packed atmosphere, please give us a call or e-mail us! You can find more information and an application on our website!

Why work at Camp Highland?

At Camp Highland, it is important to invest in life change. As a camp counselor you will have the opportunity to invest in the lives of dozens of campers! We also take to heart that YOU need to be invested in as well. Our staff will be pouring into you as you pour into others. Not only will you have the chance to help campers grow in their relationship with Christ, but we hope that you will be challenged to grow yourself!

Your summer will be full of adventure; each week you will have to opportunity to work in our high ropes course, go rafting, lead small group Bible studies, and spend quality time with campers. You will experience serving in every area, whether it's kitchen duty, sweeping cabins, or leading field games! Your summer will be packed with opportunity!

Do I get paid?

Compensation for our staff is \$150 a week. We consider our staff missionaries. We know that working here is a calling from the Lord, so we encourage our staff to build a support team of friends and family that will commit to support and pray for them over the summer!

Typical Day at Camp

An early morning begins with breakfast and TAG time (Time Alone with God). From there you are off for the day! It may be high ropes, low ropes, swimming at the pond, tubing on the lake, or a trip to the river with a lunch break somewhere in the midst. Dinner comes quickly and then our evening session follows. The evening is packed full of fun, games, and of course...dessert! Each week campers arrive Monday morning and stay through Saturday morning, allowing staff to rest Saturday evening and Sunday before gearing up for the next week!
